KACEYS SIGN NEW HAVEN AND HARTFORD FOR WEEK END GAMES

Baseball fans of Eastern Connecticut are promised two of the fastest games of the season this week end when the Norwich K. of C., club plays New Haven, champlons of the Eastern league at the Fairgrounds on Saturday, and on Sunday plays the Hartford Eastern league club.

Manager O'Leary of the Kaceys who was in New Haven and Hartford Monday and made arrangements for both games, has the promise of both clubs that regular teams are to be brought for the week end games.

The New Haven lineup will include the regular players with the exception of Frank Woodward, star pitcher of the team, who is to don the uniform of the Norwich team on this form of the Norwich team on this day and pitch against his former team

day and pitch against his former team mates.

In securing the New Haven team for Saturday's game the K. of C. has brought here the strongest team the eastern league has seen in many a year, and one which by winning 190 pames this season has broken previews season records for a champion team of the league. Sport writers in picking the All-Star Eastern league team have picked six of the New Haven players as follows: Bowman, 1st. batting, 359; Malone 2nd, batting, 351; Hiconda 37d, batting, 355; Earys, 7t. batting, 331; Johnny Cooney and Frank Woodward, pitchers.

In winning the Eastern League pennant sport writers say that New Haven had too many good pitchers, and too hard a hitting team, one with a season average of 304, and the team in the league had no chance.

Against this fast, hard hitting team the kaceys will send in Woodward who has a record of 23 victories and 12 defeats for the season and a pitching average of 557, the best average in the league for a pitcher with 35 or more games pitched during the season. The K. of C. team will also be strengthened in the outfield with the securing of Cosgroves of Waterbury chub at short, who has hit for 251. Other changes are to be announced later.

In Sunday's game the Hartford chub will come here strengthened in some departments by the adding of such men as Lavallee of the Worcester club will the outfield a player who has tack-

Siki himself at first was disinclined to make the trip to the United States, but later said he would do so if Hellers' terms were accepted. It is the opinion of Hellers that it would be a good thing for Siki to meet Wills immediately, as he considers Wills the only man standing in the way of a bout between Siki and Jack Dempsey for the world's championship.

The message sent by Heilers to Graurke this evening was as follows:
"Want 1,100,000 francs net, exclusive of income tax. Am ready to leave immediately and have Siki fight Wills October 26."

The extra 100,000 francs above the million mark, Hellers explained, were for the expenses of the trip to the United States and for training expenditures.

Siki was accorded a tremendous ovation in the sporting center of Paris this evening, when he arrived by automobile at the offices of Echo des Sports, one of the foremost French Colla HI WINS FIRST
